The Saga of IONA

1952

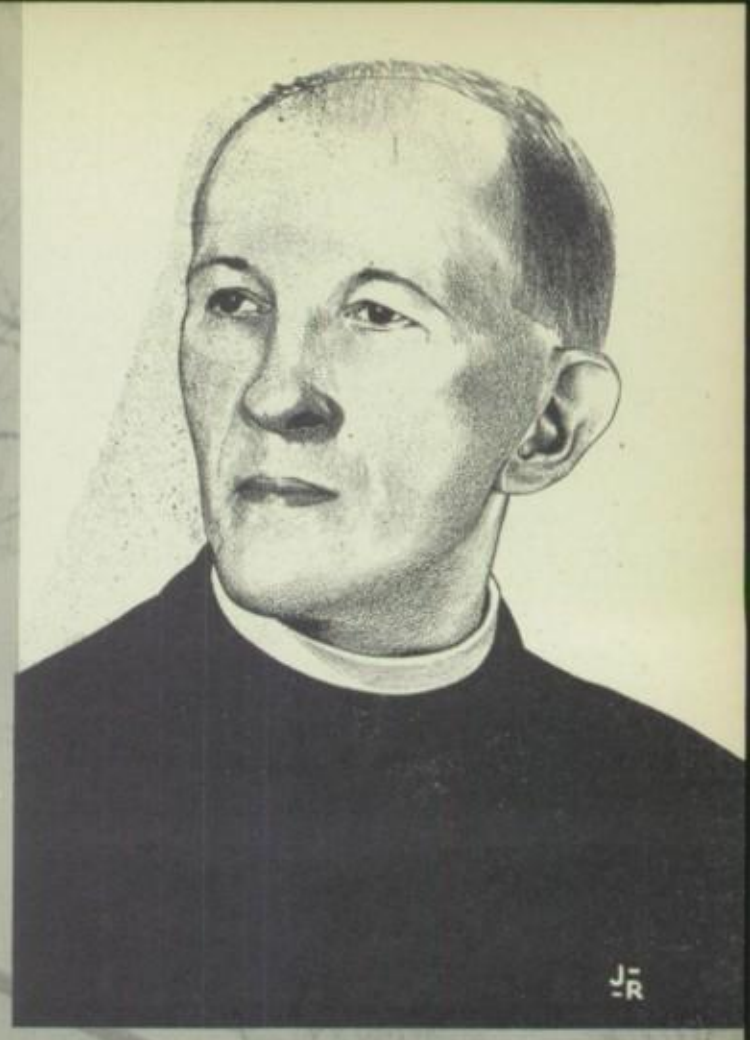
Iona Preparatory School

New Rochelle
New York

Foreword

We, the Class of 1952, upon graduation, wish to set forth in this book the Iona life, spirit, and traditions which we have learned to love during our four years at Iona. During this time we have experienced hopes, joys and deep spiritual experiences which will never be forgotten. As we go forth into life we shall always cherish the lessons, the fine fellowship, and the way of Christian living that is Iona.

Dedication



Reverend Brother
Richard J. O'Kelly
Headmaster

We, the Class of 1952, dedicate this yearbook to our Beloved Headmaster, Reverend Brother Richard J. O'Kelly. This dedication is our humble token of gratitude, which seems insignificant when we consider the eternal debt of thanks which all of us owe this great teacher. Brother O'Kelly, loved and respected by Iona men for the past six years, has played a major part in molding the minds and characters of all of us during this time. Although we of the graduating class leave Iona this June, our memories of this saintly man will abide with us throughout our lives.

SENIORS

Senior Class History

Who were all those people striding along the hall, heads up, chests out, a knowing light in their eye? What classrooms would they be going to? Certainly they couldn't be freshmen. They didn't have the shy hesitancy and clumsy awkwardness we did.

Finally the mystery was solved. They were the upperclassmen—breezy sophomores, confident juniors and lordly seniors. To them we were, or at least we thought we were—mere nothings—shadows flitting past the doors. But we were determined to escape our anonymity at the first chance possible.

Our class began to develop as an Iona group under the leadership of Tim Flynn, Bert Corbalis and John O'Connor, our first class presidents, back In the Fall of 1948. From that time on we had a sense of class unity and spirit that flourished and grew stronger as the months passed by, thanks to the guiding hands of Brothers McDonnell, Haggerty and Acker. Potential gridiron stars began to emerge in the persons of Al Glennon, Hank Margotta, Frank Claydon, to name but a few. Able supporters of the track team were Bill Treanor, Ed Morris, and Don Connors. When basketball season came around, we provided such stars as Bob Doherty, Dennis Donovan, Jim McLoughlin, and Joe Dinolfo. We proved ourselves true Iona men by taking part in Glee Club, Dramatics, Poster Club and many other activities, which showed a high participation by members of the "Frosh" class. We could look back on our first year at Iona with pardonable pride in our achievements and confidence in the record we would make in the years ahead.

As Sophomores we could boast of the football prowess of Myles Amend, Jack Devine and Jack Rice, spurred on by the cheerleading of Joe Nuvolini, Bob Juergens and Gerry Shea. Frank Campbell, Mike McMahon and Bob Smith contributed their artistic talents to the poster club of which Bill Lane was president. Owen Mandeville, Bill Tate, Alex Popper and Barry Monaghan emerged as ardent disciples of Demosthenes in public speaking and elocution. The Glee Club numbered among its voices those of Bill Irwin, Don Ball and Gerry Merz, while Vincent Minor and Pat Salotto displayed musical talent in the Band. We enjoyed the school play that year, especially since the blonde bombshell in it was none other than Hugh Kelly. Jo McOwen was a Soph representative on the tennis team and Bill McGuire starred on the diamond. As we approached exams in June, we were aware of a great feeling of pride in knowing ourselves to be and being known as Iona men.

In the Fall of 1950 we had attained the prized status of upperclassmen. It was now our duty to take the lead in school activities and we had certainly proved ourselves worthy of this responsibility. John Duffy, Bob Fortini, Gerry Schaumber and Ed Gaffney led the hill and dale men, while Tony Piracci, Carl Wildermann, Ed McKenna, and Jack Rice sparked the football team. Tom Comparato, Larry Collamore and Paul Martineau earned berths on the Varsity

and J. V. basketball teams. Don Ewald, Jerry O'Leary and Don Heithaus were kept busy recording events for the yearbook, and Jim Mullen, Dave Schlaak, Bob Neville, John Kopins and Carlos Polo participated in Science Club activities. The Poster Club drew out the artist in John Faup, while the Patrick Henrys of the Class were Ernie Wolfe, Bob Corcoran and Jim Hanley.

When we were finally privileged to present a Junior Prom, under Bert's expert chairmanship, we realized the wealth of talent our class possessed. Bob Bundschuh, along with his committeemen, won laurels for the decorating scheme of "April in Paris".

As the warm Spring air brought the more avid baseball fans to the bleachers, they saw the Juniors ably represented by Jimmy Vaughan and Bob Konopka. And so we came to the end of an eventful and happy Third Year.

As we stood on the brink of our last year, in September of 1951, we found it rather startling to realize that no longer would we look up for the example of Seniors, but instead would be the guiding spirits of the School ourselves. A new organization was introduced at Iona this year—the Student Council, under the guidance of Brother Ruane. With Bert as its head, it made rapid progress in establishing a basis for good student relations and self-government. Bill Cleary and Earl Johnson were among the very capable officers of the Council.

As the football season progressed, the Varsity, with John Manning as manager, proved itself one of the best in recent years. Allie Glennon received the most valuable player award, while Myles Amend and Ed McKenna were named to the Metropolitan All-Star squads. At Thanksgiving, the Sodality of the Blessed Virgin prepared baskets of food to give to needy families. The chief officers of the Sodality were Bert Corbalis and Dick Tedesco, who capably carried out their responsibilities.

The Glee Club was in particularly good voice this year, under the direction of Brother Castle. Bill Pagen and Mike Meany were among the Senior members of the songsters. At Christmas we held our Senior Prom. Leo O'Donovan was chairman and received deserved praise for the tremendous success of the affair.

With Winter passing rapidly by, the numerous activities were all going strong. The Iona News went to press each time, with the help of Columnist Charlie Claydon and photography of Don Heithaus, assisted by Hank Widmer. An ardent member of the Press Club was Jack Delaney. In the field of debate three of the budding orators, Charlie Brady, Tom McGuire, and Eddie Connor. Bill Lane captured the swimming team, while Pete Garst and John O'Leary were valuable assets to the spring track team. Among the many workers of the Yearbook in 1952 were Tommy Abrams, and Tony Quindazzi. We continued activities on into the baseball season and gradually began to realize the nearness of Commencement.

It hardly seems four years and yet we are already ending one life and beginning another. Let us hope that we will always live up to the best traditions of Iona wherever our paths may lead us.

Juniors 3C

On September 13 in the year 1951, Brother Duggan, homeroom teacher of class 3C, cheerfully greeted a group of new Juniors. Rested by our long summer vacations, we attacked studies and sports, especially sports, with a new zest. The first official act of Room 301 was to elect Class Officers. We chose Richy Maddox President, Bill Fitzpatrick Vice President, Buddy McCullock Secretary, and Walter Ullrich as Treasurer.

When football season rolled around, Bill Fitzpatrick, Richy Maddox, Lou Thelk, Walt Ullrich and Bob Lalor could be found on the gridiron. Charlie Dinoflo put in his time and energy with the J.V. basketball team.

As activities came to light, John Sibson, Allen Daly, and John Dunn proved themselves talented in the dramatic field and Sheller Steinwiender, Joe Irwin and Ray Westphall had responsible positions with the Press Club.

We were represented in Debate by Tom Buckley, Joe Fosina, Ray Camardella, Bob MacDermott, Frank Alo, Michael Cinguina and Charlie Dinolfo. Two members of our class, Jim Ross and Eddie Ladín, were honored with the office of president and vice president of the Camera Club. Leonard Giacomo and Bob Lalor could be heard blending their voices with the Glee Club, while Bob Muller spent Monday, Wednesday and Friday working on the year book.

With the arrival of Spring, baseball and track found many leading aspirants in class 3C.

James Fisher practiced on the golf links, while Joe Irwin and Alan Daly knocked the ten pins for a loop. Bob MacDermott was our only gift to the swimming team. Last and least was our showing on the Honor Roll, our only representative being Bob Lalor.

Sophomores 2B

As we, the sophomore class of 303, returned in September of this school year, we seemed once again to be entering the school for the first time as we moved up to the second floor and into the select company of the Juniors and Seniors. Then we had the added novelty and pleasure of meeting our new teachers, Brother Duggan, Brother O'Neill, Mr. Martin and Mr. Agoglia. I think that we can safely say that all of us benefited from their fine example and teaching this past year.

The new subjects, Geometry and Biology, presented a problem for a short time but after a while we became used to them and this problem soon vanished.

On the whole our class may look back upon the year 1952 with pride in our accomplishments in both athletic and scholastic fields. The J.V. baseball, basketball and football teams were enriched with the talents of various members of our class, as were the Track, Tennis and Bowling Teams. In short, this year has been a very successful one for the members of our class as they showed themselves to be true Iona men in both the classroom and on the athletic field.

We all look forward to our Junior year at Iona, confident that we will overcome all of our trials and give added prestige to the name of Iona.

Sophomores 2C

After renewing freshmen friendships and welcoming the many new faces, Class 2C started the second successful year at Iona. Under the able leadership of our homeroom teacher, Brother Otto, we elected our class officers. Jim Ryan was elected President, Dick Steele as Vice President, Bill Balet, as Treasurer, and finally Mat DiGiorgi as Class Secretary.

September found many talented members of the class holding positions of importance on J.V. Football team. Some of these athletes were Wally Walbridge, Jack Schlotter, Dick Steele, Dick Goggin, Tony Poglinco, Bart Pennessa and Bob Dallenback. Ray Konopka and Bob Shannon were the only class representatives on the varsity teams, football and basketball respectively. Spring has already found many aspirants out on the Varsity and J.V. diamonds. Outstanding bowlers were Vincent Indiveri, Paul Morrissey, Andy Marshall and Wally Walbridge. In intramurals, 2c's "Barracudas" were also on top in the Sophomore division.

We of 2C, having completed a very successful sophomore year both scholastically as well as athletically, look forward with eager anticipation towards the coming Junior year.

On September 10, Brother Moore welcomed thirty-three freshmen to Iona Prep. Thoughts of future years at Iona and what they would bring was perhaps, the thought predominant in the minds of the majority of the boys.

A few days after school began, class elections were held. Bill McBride was elected President, while the officerships of Vice President, Secretary, and Treasurer were filled by Ed Kelly, John Stout and Donald Gilles respectively.

The glee club claimed most of our talents, but 201 was also represented in the Poster Club, Public speaking and Debate.

1A has also distinguished itself scholastically. A good percentage of the boys were winners of scholarships and four boys, Bill McBride, Ed Kelly, Andrew Connolly and Owen Reynolds obtained consistently high grades.

Our acheivements, however were not limited to the classroom. 201 was well represented on the jayvee football team and the freshman basketball team, swimming and track teams.

We will never forget our freshman year at Iona and we are happily anticipating our future years at Iona Prep.

Early September found the boys of 203 getting acquainted with Iona and their fellow classmates. Soon after school started we elected class officers. President, Richard Porter; Vice President, Robert Schaeffer.

Scholastically, we have tried to live up to Iona's standards, and judging from the fact that six of the men have attained honors, we feel that we have done well. Robert Schaeffer has done much to help make our class one of the top classes by winning the public speaking contest, open to freshmen and sophomores.

Autumn afternoons found Fred Cuneo practicing with the jayvee football squad. Our hill and dale men, Frank Ryan and Gene Gunn were also working out at this time.

As winter approached, our thoughts turned to basketball and swimming. Three of our classmates were members of the frosh basketball team. They were Waters, Joyce and Coffey.

The members of the class are looking forward to the spring baseball and track. Many of the members of the class participate in the various activities. The members of the glee club are: Mullin, O'Brien, Dunbar and many more. We have many representatives in the camera club, too.

The members of the class of '55 are looking forward with much anticipation to the following years at Iona . . .

They say that "Progress never stands still," Room 305 is not one to disprove this statement. Though fresh out of grammar school, we quickly adapted ourselves so as to fit into Iona's curriculum.

This year began with the election of class officers. These positions were ably filled by John T. Onuska, President; Arnola Mathias, Vice President; Bob Cullen, Secretary; Frank Borelli, Treasurer.

The sport season started off with a bang. Those men of the "J. V. Gridiron Squad" were Hall, Dunn, Cullen, Kennedy, O'Rourke, Cohan, accordingly the basketball talent was shown by Ed Cohan, Bill O'Rourke. 305 again showed its managing ability by delegating Bob Bonoccorso as Varsity and Walte Kennedy J. In September, 1951, we the students of 202, under the supervision of our home room teacher, Brother Castle, met and acquired a great feeling of good fellowship.

Our first work as a class was to choose officers who represent us in school affairs. They are: Richard Gorman, President; Phil Winters, Vice President; John Treanor, Treasurer and Roger Gaire, Secretary.

As the year progressed, the combined efforts of Burt Burtis, Ernie Pacchiana, Phil Winters and Gene Langbein helped to bring success to our athletic teams. But our accomplishments were not limited to athletics. Ben Ray Arkinson, John Treanor, Joe Corcoran and Richard Gorman brought scholastic credit to our class by achieving honor marks.

The field of music was not neglected neither having been represented by about a dozen members in the Glee Club.

If this unity and good feeling continues to exist between the fellows, as I am sure it will, Room 202 will indeed be a credit to Iona Prep.

It was an awed group of freshmen who trouped into 205 that memorable morning of September 11, 1951. For the most part we were strangers. However we all had a singleness of purpose to try to contribute as much to Iona as we expected Iona to give to us.

Proceeding in this direction, Brother Castle's glee club was swelled by the lusty voices of Gerry Boll, Dutch Broderick, Mike Calderazzo, Jim Gould, Bill Jones, Willie King, Tom O'Brien, Vinnie Ross and Big Vin Slattery.

Much of the inspiring music of our band came from the talented lips of Arthur Tommy Dorsey Celona and Bob Justin on the trumpet while Tom Morris handled the clarinet.

The hills and dales of Van Cortlandt Park and of the Westchester courses carry the imprints of the flash flying fleet of our trackmen, Dave Gracey, Windy del Prior, Specs Mullen, Mike Gallagher, Bob Oliverio and Captain Dick Barry.

Jerry Finneran and John McCabe were towers of strength on our jayvee grid team, while Sets Romeo and Taps van Bearen swished the chords for the frosh basketball team.

Our intramural basketeers are fighting violently for the crown with John Conway, Marty Neary and Jim Robinson, with captain Bob Cella.

Willie Whelan, our miniature Patrick Henry promises to cop the next oratorical contest after this years near miss.

We placed nine men in all on the select Honor Roll. They are Bill Whalen, Joe Romeo, John Mullen, and many others, including Vinnie Slattery.

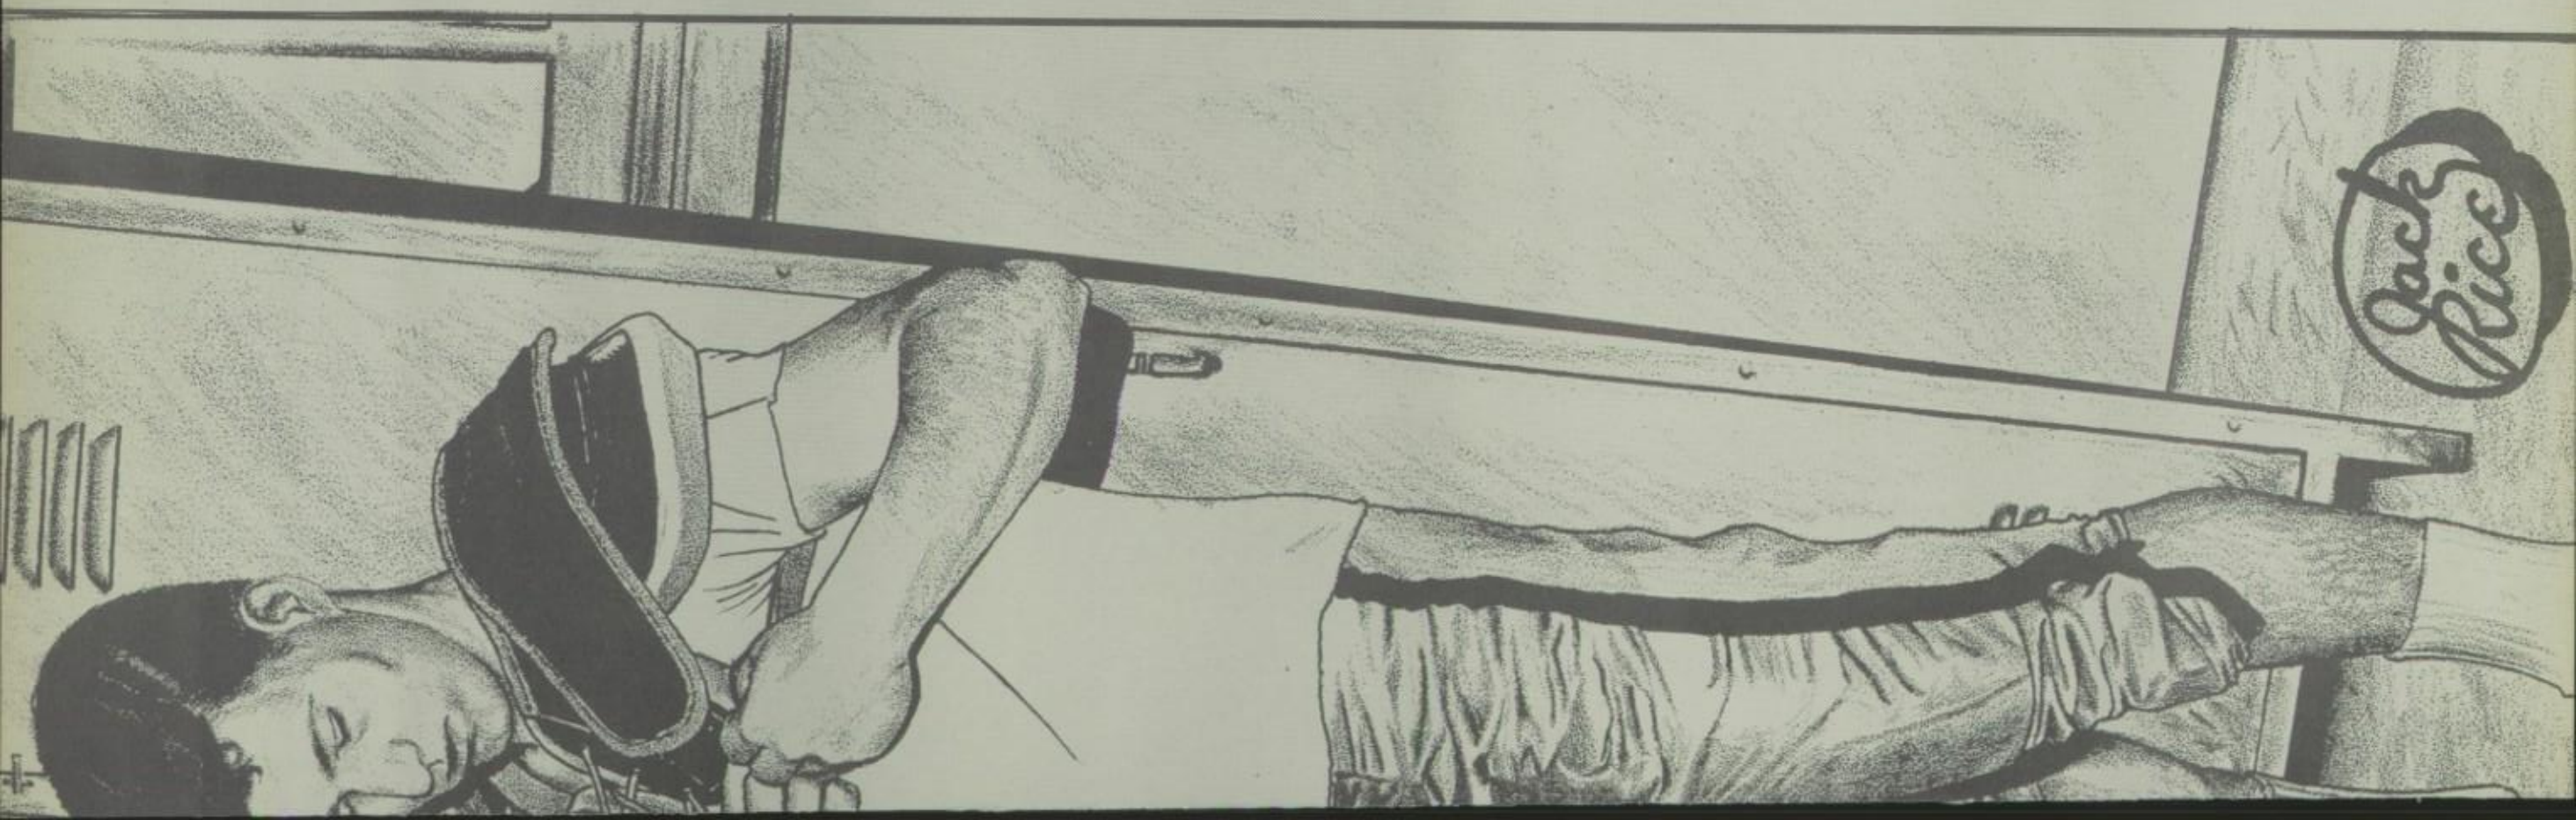
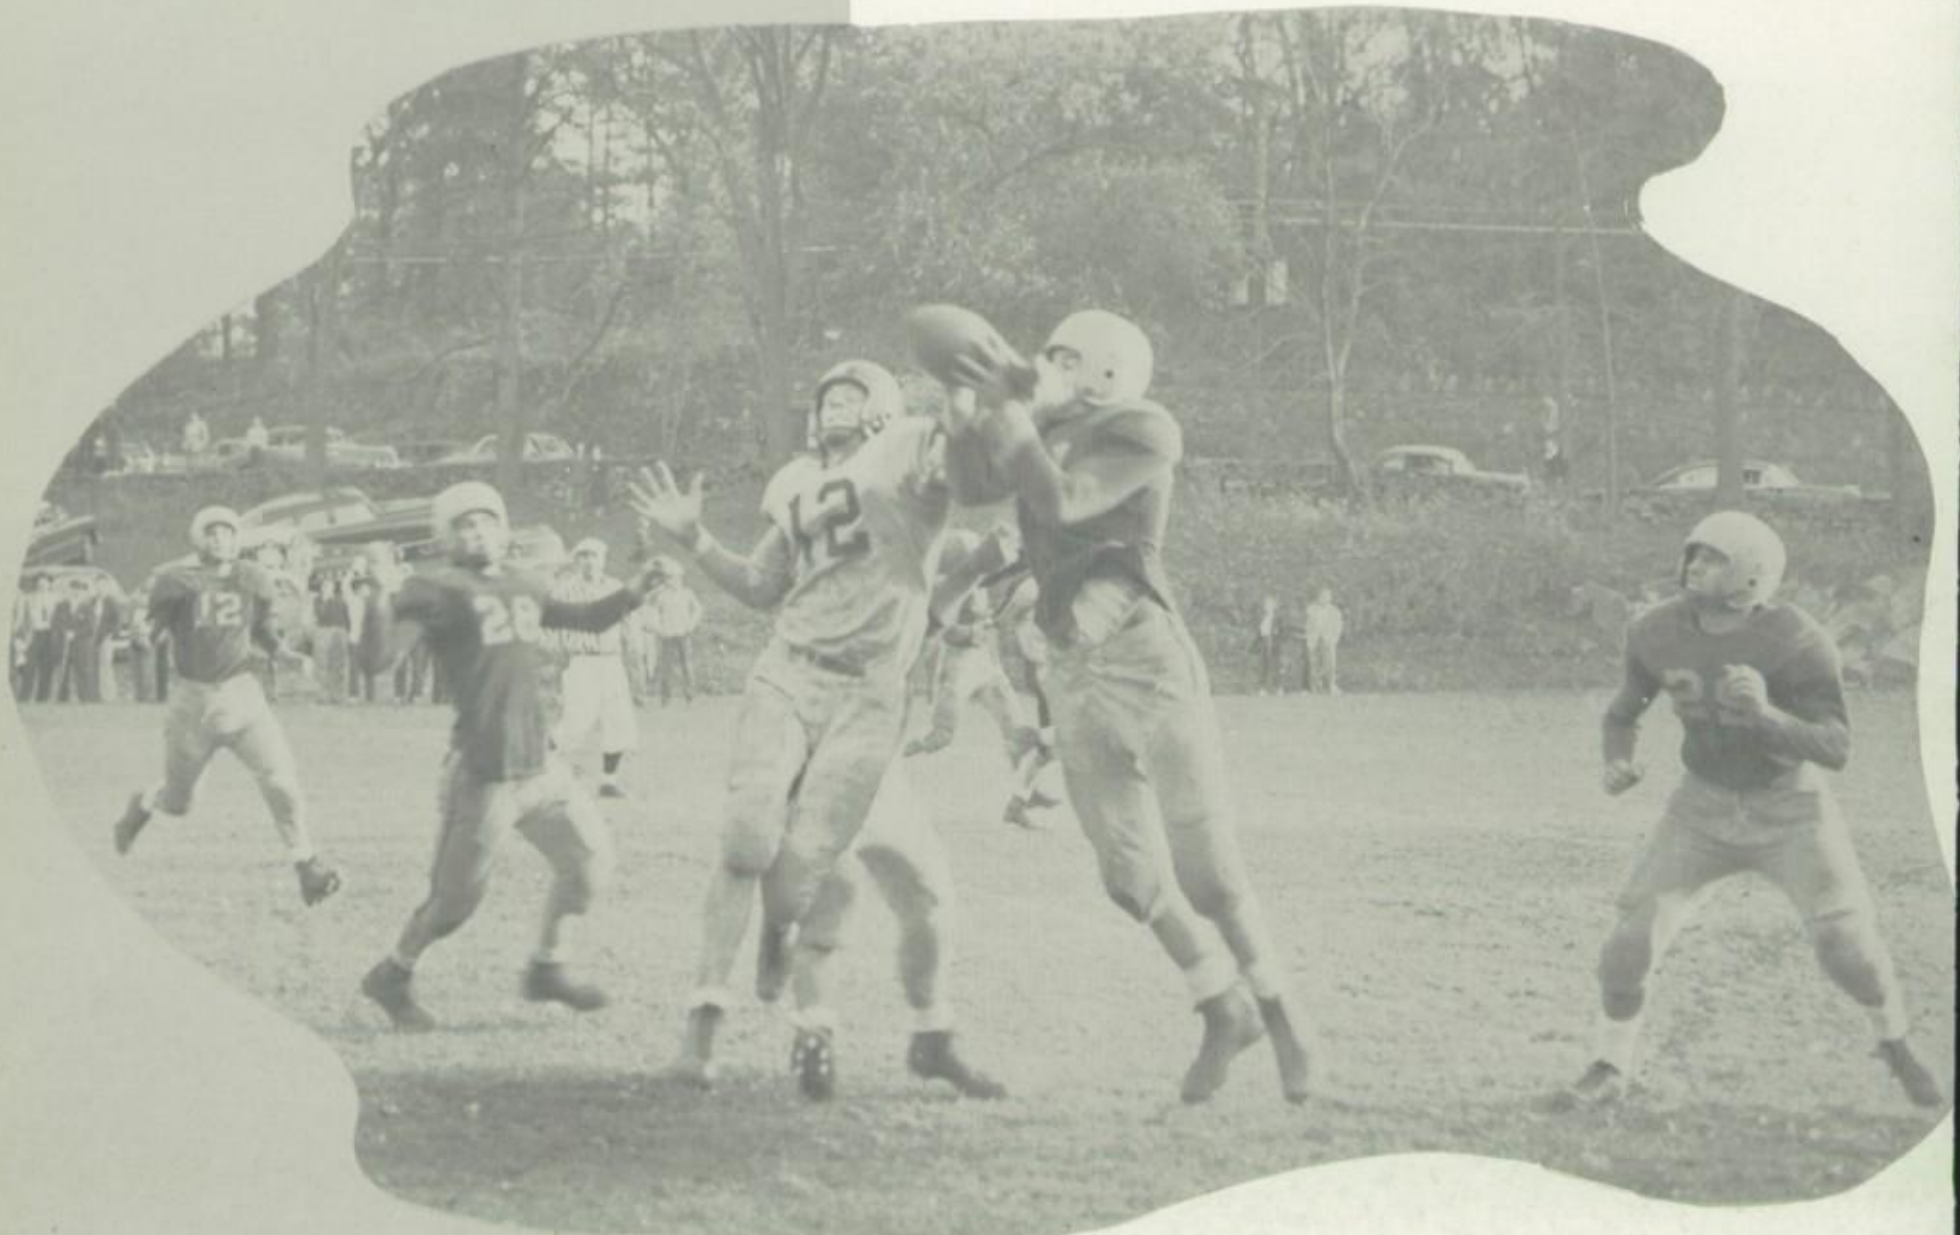
SPORTS





Football

This year's football cannot be called great when compared to the powerful juggernauts of Iona's past "Golden Era" of football, but in place of the 200 pound lines of those days, the 1951 team substituted a great and unique spirit. Everyone, from the captain down to the last sub, played for the team. A typical example of this spirit was the election of Hank Margotta as captain. The ballot was unanimous, with not one dissenting vote. In Mr. Germann's own words, it was "A great tribute to a great player".

Even though the team did not compile an impressive record and although they lost a few heart-breaking games, you can be sure that every last man who was on the Varsity, is proud to have played on the 1951 team.

Iona 15
All Hallows 0

On a rainswept field, Iona opened its 1951 football campaign in fine style by thoroughly whipping All Hallows. Although the Bronxites held a definite weight advantage across the line, the scrappy Irish forward wall, led by Eddie McKenna, quickly took control. They consistently opened holes for Allie Glennon and Claude Gianino, the latter registering the first score of the year on an off tackle slant from ten yards out. The conversion attempt was blocked. With just a few minutes left in the first quarter, Gianino ran to a first down on the Blue and White 15 where an exchange of fumbles gave us a first down on the 12. On second down, wingback Steve Corkery ripped through the left side of the line for Iona's second tally. Fullback Allie Glennon blasted his way over for the extra point as the period ended.

Early in the third quarter, All Hallows blocked a Costello punt on our 16. Due to the bang-up defensive play of the Irish line they failed to capitalize on their break and were driven back to the 32. No further scoring took place until late in the fourth when a stubborn opposing line staved off four Irish thrusts on their own two yard line. Coach Germann sent a whole new team into action and on All Hallows' first down, their star back, Bean, was snowed under in the end zone, giving us a final 15 points.

Corkery picks up yardage around end.

On October 14, the "Fighting Irish" of Iona met their arch-rival, Stepinac, on a sun-drenched gridiron at Iona. The situation of last year was almost reversed, with the White Plains team being the powerhouse and Iona the weak underdog. At the end of the game, all who witnessed the battle had to admit that the gods of luck were with the "Crusaders" that afternoon. The record shows that the "Irish" outplayed their much bigger opponents in every department but the big one, namely the score. Stepinac's scores came only during momentary lapses in the fast-moving, spirited defense which stopped the Crusaders dead several times. Their first score was set up by a 15 yard roughing penalty, their next came when the green "Irish" line froze as a Corkery pass, was intercepted allowing a guard to run it back 40 yards for the score. Stepinac's third score was set up by an off-side penalty on a fourth-down "Crusader" punt while the last came when an Iona back fumbled in our end zone. On the offense, Iona moved well against the 6, 7, and 8 man lines used by Stepinac. Fullback Allie Glennon led the way, scoring three touch-downs and playing a bang-up game on defense. Down at one point 24-7, our boys thrilled the crowd with a fighting spirit that brought us to within one touchdown of victory. We lost possible scores when the first half ended with us on their 12 yard line and another when quarter-back Margotta did not see Lane clear in the Stepinac end zone. Moral victories don't look so well in the record book, but the "Irish" surely had no cause to be ashamed of this game.

Cardinal Hayes 27

Out to better their 1 and 1 record, the team next traveled to Randall's Island. There they found a team that not only outweighed them by twenty-five pounds per man, but a team that had fought Chaminade to a scoreless tie the previous week. Although Chaminade was the best team on Long Island, the Irish were confident. They were the underdog again but they were determined to make a fight of it.

From the beginning, it was clear that Hayes was out to keep their reputation clean. They blocked well and hit hard and their weight advantage took effect. Though Iona fought tooth and nail, Hayes was the better football team. Although they beat us badly, they didn't push us around. We handed out a lot of punishment and took a bit.

Although the Irish had absorbed two successive defeats they were over-confident about facing the Hornets of Tarry town. This proved their downfall, as an inspired Hackle team battled our team to a 6-6 stalemate. Sparked by thei captain Eddie Wilson, the Hornets refused to let Iona scor until the second half, when both clubs scored minutes apar Our play was marred by numerous penalties but the tear just couldn't catch that spark so vital to good football. A early Hornet threat was squelched when the Irish line hel at our 20 and another later in the first quarter when Hackly fumble was recovered by our line. Early in the thir period Claude Gianino and Allie Glennon moved the ball t a first down on their ten, but a desperate Hackley line hel us on their one foot line on fourth down. The Horne fought their way out to their own 18 when end Jack Ric pounded on a fumble, giving us possession. Steve Corke and Glennon carried to a first down on the two, with All banging over for the score on the second down. The a important conversion went wide. Moments later as the fin quarter began, Hackley, drove deep into the Irish territor A Kearny to Wilson aerial gave them a first down on o 15. Another Kearny pass put the ball on our 9, then th line thrust carried through to the 3 yard line. On the ne play, full back Mike Carroll plunged over. The Horne tried to run the extra point and were stopped short of t goal line by the Irish line. In the waning minutes, bo teams were unable to threaten seriously as an exchange interceptions snuffed out two potential touchdowns.

Iona 20 Xavier 12

Playing in the mud, the "Irish" of Iona gained their second win of the season by downing a big Xavier Military Academy team. Sophomore sensation, George La Pera led his mates to the victory with two thrilling touchdown runs. The "Irish" outplayed their guests in almost every department and held them to one pass completion in ten tries.

Early in the second quarter La Pera ran through the Xavier team for a 52-yard touchdown. This play was set up by center Billy Fitzpatrick, who intercepted a Cadet aerial on the 50 yard line. Konopka's attempt for the conversion went wide. In retaliation, Xavier's great halfback, Gene Hourican plunged over from the six, culminating a 63 yard drive. The try for the extra point failed.

The third period saw the Maroon and Gold tally again through the fine passing of Hank Margotta, with ends Rice and Deignan on the receiving end. It was Deignan who grabbed the scoring toss, while Ray Konopka's toe accounted for the conversion.

La Pera crossed the goal-line for the second time in the last quarter. He picked off an Xavier pass and when end Richie Maddox removed three hostile players with one block, he went 48 yards for the score. Again Konopka's aim was true, making the score 20-6.

In the waning minutes of the game, Hourican, never giving up, drove his team 60 yards for the final touchdown of the day.

Fullback Allie Glennon sparked the "Fighting Irish" with his usual bang-up play in our victory over St. Francis of Brooklyn. He missed a first period T. D. when he fumbled as he plunged over the goal line, but Myles Amend quickly pounced on it for the score. In the second quarter, tackle Jack Devine picked off a Dolan pass on his own 36 and streaked downfield to what apparently was a lineman's dream. But a clipping penalty on the 16 nullified the score. The first half ended without any further scoring as the second half progressed, Joe Gaine waged a punting duel with Ken Connors of St. Francis. On the final play of the third quarter, Steve Corkery intercepted another Dolan pass and raced 70 yards for a touchdown. Ray Konopka's placement was good.

The Terriers tried to get moving as Connors took to the air. The stout Irish line began to rush him and Glennon picked off a pass on our 28. We were stopped on our own 49, but Joe Gaime was roughed on the punt giving us a first down on the St. Francis 45. On second down, Glennon knifed through right-tackle, cut back, and went all the way for the score. Once again Konopka's kick was good. Iona was on the Terrier 22 yard line when the final gun went off. The scrappy Irish forward wall, sparked by end Richie Maddox and little Eddie McKenna, held St. Francis to 55 yards while we piled up 203 yards.

Iona 14 New Rochelle 15

After secret practice all week prior to the annual Turkey Day game, Iona came to McKenna field with a brand new formation, the "A." 6,500 fans saw the "Purple Wave" churn the mud for all their 15 points during the first half. After only four minutes of play, a N.R.H.S., pass to Duwarte clicked for a TD with Carlo LaPerra converting. Five short minutes later, New Rochelle got a lucky break which eventually meant victory for them. Joe Gaime punted to their 35, where they fumbled and we recovered. But the luck of the Irish didn't seem to be with us today, for Iona was ruled off-side on the play, and on Gaimes next try, the kick was blocked and rolled out of the end zone for a safety.

As the first quarter came to a close an Irish fumble was recovered by the "Purples" and New Rochelle's all-county lineman, John Simmons crashed his 200 plus lbs. over for a touchdown. In anger the Irish line arose up and smothered the conversion attempt.

Midway in the third period Iona began to show their old form. Billy Fitzpatrick pilfered an Anderson aerial and sped 45 yards to their two, where he proceeded to fall daintily to the ground with no one near him. On the next play Allie Glennon bulled over for the score setting the spark to a rally that was to carry us to within one point of victory. Konopka's placement was good. Soon after the Irish struck again. A jarring tackle knocked the ball from Vann's grasp and we pounced on it. Three plays later George LaPera took a pitchout from Konopka and raced 36 yards for the score. Again Konopka booted the point. Iona was racing against time, but New Rochelle desperately hung on to their one point advantage until the final gun was sounded.

Bob Kirnard's chores at Iona began with the "Little Irish" football team. Under his mentorship, our JV compiled a 3-3 record. As always they were pitted against varsity B squads, making the record an enviable one.

In the opening game against Stepinac, the Crusaders made a fateful conversion to win 7-6. On their next outing, the "Lil' Irish" thrashed a Cardinal Hayes team, 37-6. In fine style, the club swept through Fordham (27-6) and Blessed Sacrament (19-0). In the final two contests, the tables were turned on our junior footballers. They were turned back by a very good New Rochelle club 6-3, and by a powerful team from Mamaroneck to the tune of 19-0.

Coach Kirnard's starting eleven had Bob Heggy and captain Joe Ihlfeld at the flanks, while most valuable player Sal DiBuono and Kennedy held the fort at guard. At the pivot post was co-captain Don Hoffman. The team was quarterbacked by Tom Farrell while the halfback slots were filled by Ernie Pacciano, and Phil Winters. Running from the fullback position was Tom Sheehan.

The 1951-52 Iona varsity basketball team will be written into the record book as the greatest to ever take the court for our school. Under the superb coaching of Bob Kirnard, the "Irish" cagers compiled a record of 16 wins and 3 losses during the regular season. They became the first Iona team to receive an invitation to the Eastern States Basketball Tournament, held annually at Glens Falls, N. Y. In opening the season the team thoroughly outplayed and outclassed Sacred Heart, beating them by a score of 80 to 47. Next came wins over New Rochelle, Fordham and Bellows. Then came a heartbreaking loss to Horace Mann. The team got back into step with wins over Concordia Stepinac, Harrison, Sacred Heart, New Rochelle, Stepinac and Columbia Grammar. In their first encounter with Blessed Sacrament, the team played well, but it was the Cardinal's night and B.S. came out on the long end of a 56 to 53 score. In a slump, the squad suffered a humiliating defeat from a weak Pelham High School quintet. The game was marred by sloppy play and a very poor shooting percentage on our part, while Pelham had a "hot" day. After such a jolt, the "Fighting Irish" came off the floor and blasted their way through Hackley, Harrison, Blessed Sacrament and Rye, thus ending the regular season with an impressive 16 won—3 lost record. In the Westchester Private and Parochial School tourney, Iona was paired off against Stepinac, for its first game, whom we had beaten twice.

The Crusaders grabbed an early lead and played a very strong game to retain that lead to win by 2 slim points, 48 to 46. With this defeat ending the season on a sour note, the "Irish" looked ahead to better things.

GLENS FALLS

When it was announced that the basketball team had been offered an invitation to the Eastern States Basketball Tournament, the members of the squad had their fondest hopes fulfilled. On the 26th of March, they were sent off amidst the cheers of their fellow students, to be followed the next day by about twenty determined backers.

It was our misfortune to draw the defending champs, St. Thomas More of Philadelphia, for our initial test and although the boys, led by Eddie Bugniazet's 16 points played a whale of a game, the "Golden Bears" were the better team that night, winning 55 to 41. The following morning the team received Holy Communion in a body and despite their setback, vowed to win their two remaining games. On Friday afternoon, the "Irish" of Iona opened their determined drive for the Consolation Tournament championship by downing Canisius Prep of Buffalo. Again Ed Bugniazet paced the team, this time with 20 markers. The game was a thriller all the way with Captain John O'Connor's masterful passing and generalship leading the way to a 46-44 overtime win.

In our next outing, against Monsoon Academy of Massachusetts, once more the "Irish" outpointed their opponents by a count of 80 to 70. As usual Bugniazet played a marvelous game, once more basketing 20 points. He was not the high scorer however, for Big Jim McLoughlin tallied for 37 points, setting a new school record and missing the tournament mark by one point. It was the most points scored by any player in this year's tourney and was a truly great performance. On Saturday night, at a banquet held in the Queensburry Hotel, where the teams stayed, Captain John O'Connor accepted, for Mr. Kirnard and the team, the trophy symbolic of the Consolation Tournament championship.

On this triumphant note, the "Fighting Irish" from Iona rang down the curtain on the greatest basketball team in the school's history.

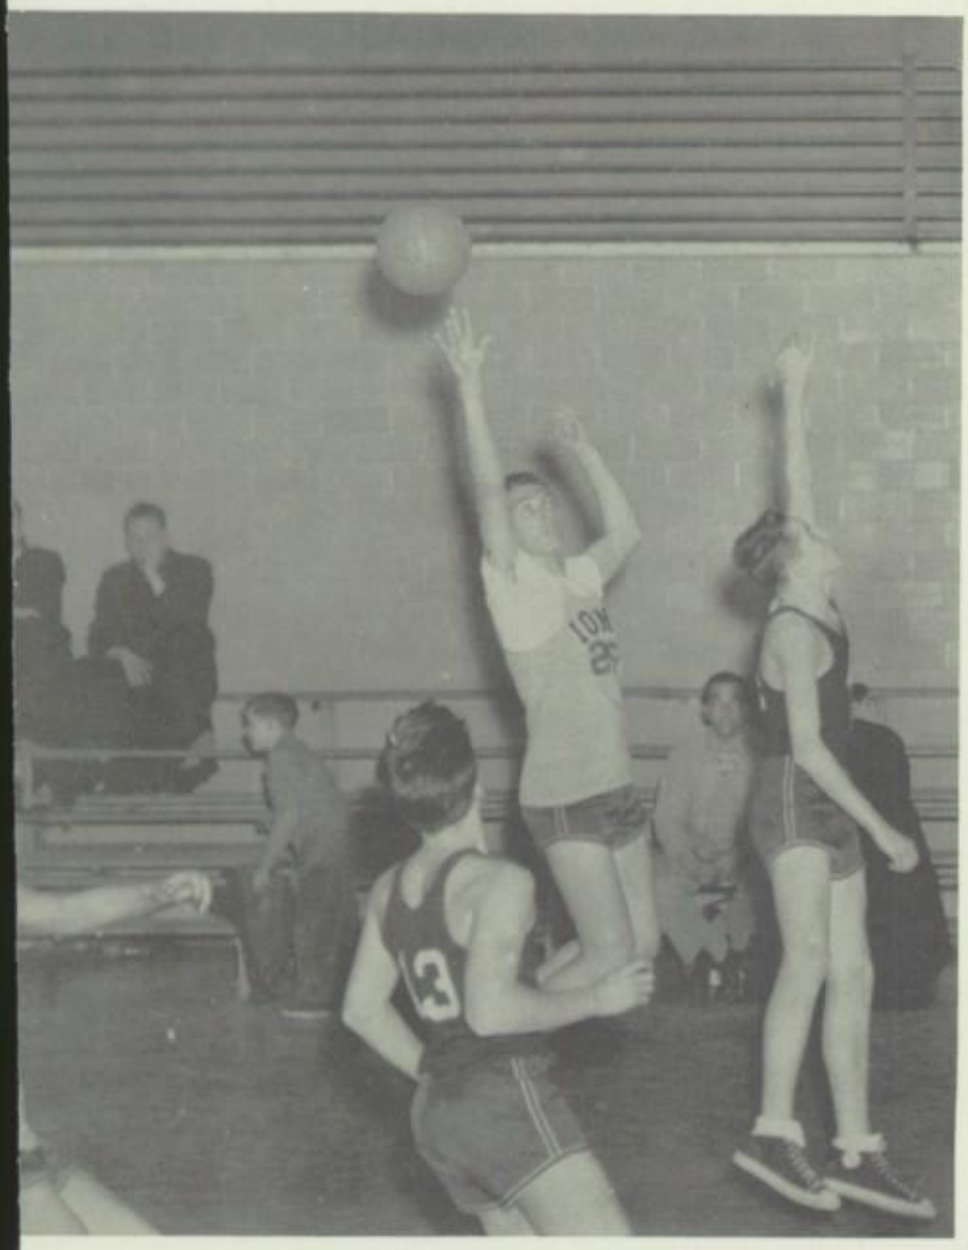
Following in the footsteps of their big brothers this year's edition of the "Little Irish" comprised the best record of any J. V. aggregation in the history of Iona. Their 16 wins against 2 losses has never been equalled since the start of basketball at Iona.

The source of this fine record was the fine coaching of Brother Moore. Working with the squad since November Brother Moore formed the squad into one of the fastest and most well conditioned junior cagers in the county.

Faup pulls down a rebound



Two points for Burtis

With the stress on speed the J. V. courtmen could run with any of its opponents. At the start of the season only four of last year's members were returning for duty. They were Joyce, Byrnes, Faup, and Gallager. Newcomers Dinolfo, Maus, Winters, Frampton and freshmen Burtis, Winters, Fachiano, and Finneran comprised the remainder of the squad. With the playmaking of Captain Mike Joyce, the speed of Byrnes and Andre Faup and the rebounding of Jack Gallagher and Bert Burtis the young Prepsters had the necessary hustle and scoring punch.

The J. V. displayed their calm under pressure by winning both of the overtime games of the season.

Jumpin' Jack Gallagher tries a one hander

The Little Irish gained double over Blessed Sacrament, Harrison, New Rochelle, Sacred Heart, Fordham. Single wins were scored over Stepinac, Concordia, Hackley, Horace Mann, Rye and Pelham. Their only losses were at the hands of Bellows and Stepinac, the latter they had previously beaten.

Their wins over New Rochelle and Blessed Sacrament made them Junior Varsity City Champions.

O'Connor boosts his average.

After a triumphant basketball season, Coach Bob Kinnard turned his talents to the diamond. From a group of sixty hopefuls, he carved a strong twenty man club.

In tribute to his great play, the team elected Jimmy Vaughan captain. Jim is usually found at first base but plays just about any position with the same dexterity. At second is fleetfooted Joe Gaime, while Frank Alo's errorless style made him a natural for shortstop. Guarding the hot is Ray Porter, a "heads-up" ballplayer. In left field we find veteran Bob Konopka, the club's clean-up hitter and in center is the sophomore sensation Bob Shannon, one of the school's best young athletes. Right field is shared by Jack Devine and scrappy Ed McKenna. As usual we find John O'Connor wearing the catching equipment. John is ably backed up by the other half of the Konopka family, brother Ray. The top mound ace of this year's nine is Bob Doherty, who throws from the port side. He is backed by Matty McLoughlin, Tom Farrell, Ed Bugniazet and Bob McDermott. Adding surplus power and depth to the squad are outfielders Jack Cesario, Tom Carreiro, and Joe O'Malley.

In its season opener, the club faced Fordham, and behind Bob Doherty's no-hit pitching, came out on the right side of a 4-1 score. With a fine start, the team looks forward to a winning season.

J.V. Baseball

Iona's lil' Irish diamond squad opened the season in fine style by downing Blessed Sacrament 5-1 behind the hurling of Bart Panessa. Though this year's J.V. is a bit green, their fire and hustle more than make up for experience. In succeeding last year's great J.V. whose 19 and 3 record stands as one of the schools greatest the '52 team has their work cut out for them.

The team, headed by captain Bob Maus has Bob Heggy at first base, Ben Lopaz at second. Jerry Finneran's fine play gained him a starting birth at shortstop and at the "hot-corner" is Joe Romeo. Backing up the infield are outfielders Bob Maus, Steve Peylan, and hard hitting Bob Finnan. The team's weak department is the pitching. Led by Panessa the rest of the hurlers are Sal DiBuono, Eugene Langhein and Tom Joyce. The other part of the battery is the team's best position. The catchers are headed by Ed Frampton. The team boasts a very strong bench with infielders Ecriveri, DiPasquale. Their fire and spirit should carry them far.

BILL LANE

Moderated by Brother Otto, the swimming team suffered from a manpower shortage this season. With early losses to Bishop Loughlin, St. John's and Mamaroneck, the outlook was dim indeed. Then the Irish mermen hit their stride. Displaying fine form they swamped Columbia Grammar and splashed into the W.P.P.S.A.A. championships at Horace Mann pool. Led by Capt. Bill Lane, who is the Westchester County 200 yds. freestyle champ, the team scored a near upset as they battled their way to within 6 pts. of powerful McBurney to take 3rd place in the meet. With divers Bob Finnan and Jerry Finneran placing well, and Wally Geoghegan and Pete Taylor notching fourths in their events, namely the breast and the back-stroke, the team made its bid. Additional points were annexed by Jim Hanley and Marty Cohan in the 50 and 100 yd. freestyle events respectively. Iona made its stretch run when Lane won the 200 yd. freestyle relay (Cohan, Hanley, Hunter, and Lane) took second in that event. Although Peekskill Military and McBurney beat them, the team beat about a dozen other squads and surprised many officials with their showing. The Irish natators closed out the season by trouncing Fordham Prep in mid-March. This year's club set a new mark by having two swimmers, Geoghegan and Lane, go undefeated in dual meet competition.

Track . . . .

The 1952 track team has had to weather a storm of dis-interest in the cross-country and indoor seasons, but moderator Brother O'Neill has brought it through handily. He has whipped together a very good spring track team. It features a crack mile relay team, consisting of George LaPera, Myles Amend, Bill Deignan and Claude Gianino. Coach George Thompson has brought the best out of his charges. In the middle distance runs are Captain Myles Amend, and Bill Deignan, while Dick Morgan runs a fast mile. Handling the sprints are Claude Gianino, George LaPera, and Tim Flynn. In the field events Ed Morris throws the shot, while Bert Corbalis and Bill Deignan hurl the discus. Bob Lalor takes over the chores in the high-jump and Bill Fitzpatrick throws the javelin. Dennis Goss and Jack McMahon round out the roster.

Seniors Owen Mandeville and Fritz Claydon return from last year's squad to give Margotta two fine partners. Dave Hannon, Jack Gallagher, and Jim Fisher make up the complement of the team.

Brother O'Ryan has scheduled several matches with New Rochelle, Stepinac, and Hastings. More schools will be added to the schedule later in the season. The Linksters' goal is the W.P.P.S.A.A. tournament, where they will defend the crown which the team won last year.

OE McOWEN
Captain

Iona's tennis hopes this year lie in four men, led by captain Joe McOwen. Joe has been a mainstay of Irish net squads since he was a tiny Freshman. He is the natural selection for first singles. The second and third singles are handled by Sophomores Tom Farrell and George Landegger, in that order. Both boys are veterans of last year's successful campaign. The last member of the team is Alfy Van Buren, a freshman, who promises to be a dangerous opponent in future years. Along with Tom Farrell, he comprises the second doubles team while Joe and George Landegger are a hard to beat first doubles team.

With series of matches scheduled against New Rochelle, Stepinac, and White Plains, and singles matches with Scarsdale, Mamaroneck and Bellows, Iona's "racketeers" will be seeing quite a bit of action this season.

Moderating the squad is Brother Heaphy while Captain McOwen acts as coach and manager. Although the team lacks depth, the skill of its members should carry it through another victorious season.

Bowling

The Iona bowling team, coached by Mr. Germann, traveled to White Plains to compete in the W.P.P.S.A.A. bowling championships. It was their first match and they had only a few practice sessions behind them. The Irish Keglers were Capt. Don Ewald, Owen Mandeville, Earl Johnson, Marty Dellenback, Bob Heggy, Joe Ihefeld, Joe Irwin, and Bob Juergens. To everyone's amazement Iona swept the meet with our "A" team winning and our "B" team copping second honors. Although every man took home a team medal, Dallenbach and Irwin were singled out for special honors. Matty won the high game award and Joe the medal for high game series. In dual competition our bowlers split 50-50 with Stepinac, Mamaroneck, and New Rochelle. Capt. Ewald led his team with a high game of 220 while Juergens had the top average with a 154 mark.

Senior Dance Society

F. Claydon, Treasurer and W. Lane, President.

Brother Ruane

For the second year in a row the senior dance society has offered the students of Iona some of the best social events of the year.

The students of the school have proved the popularity of these dances by their support in attending Iona's own social events.

Under the capable planning of its president, Bill Lane, and secretary, Bill Cleary, the society has provided novel decorations, fine dance music, and enjoyable times for all.

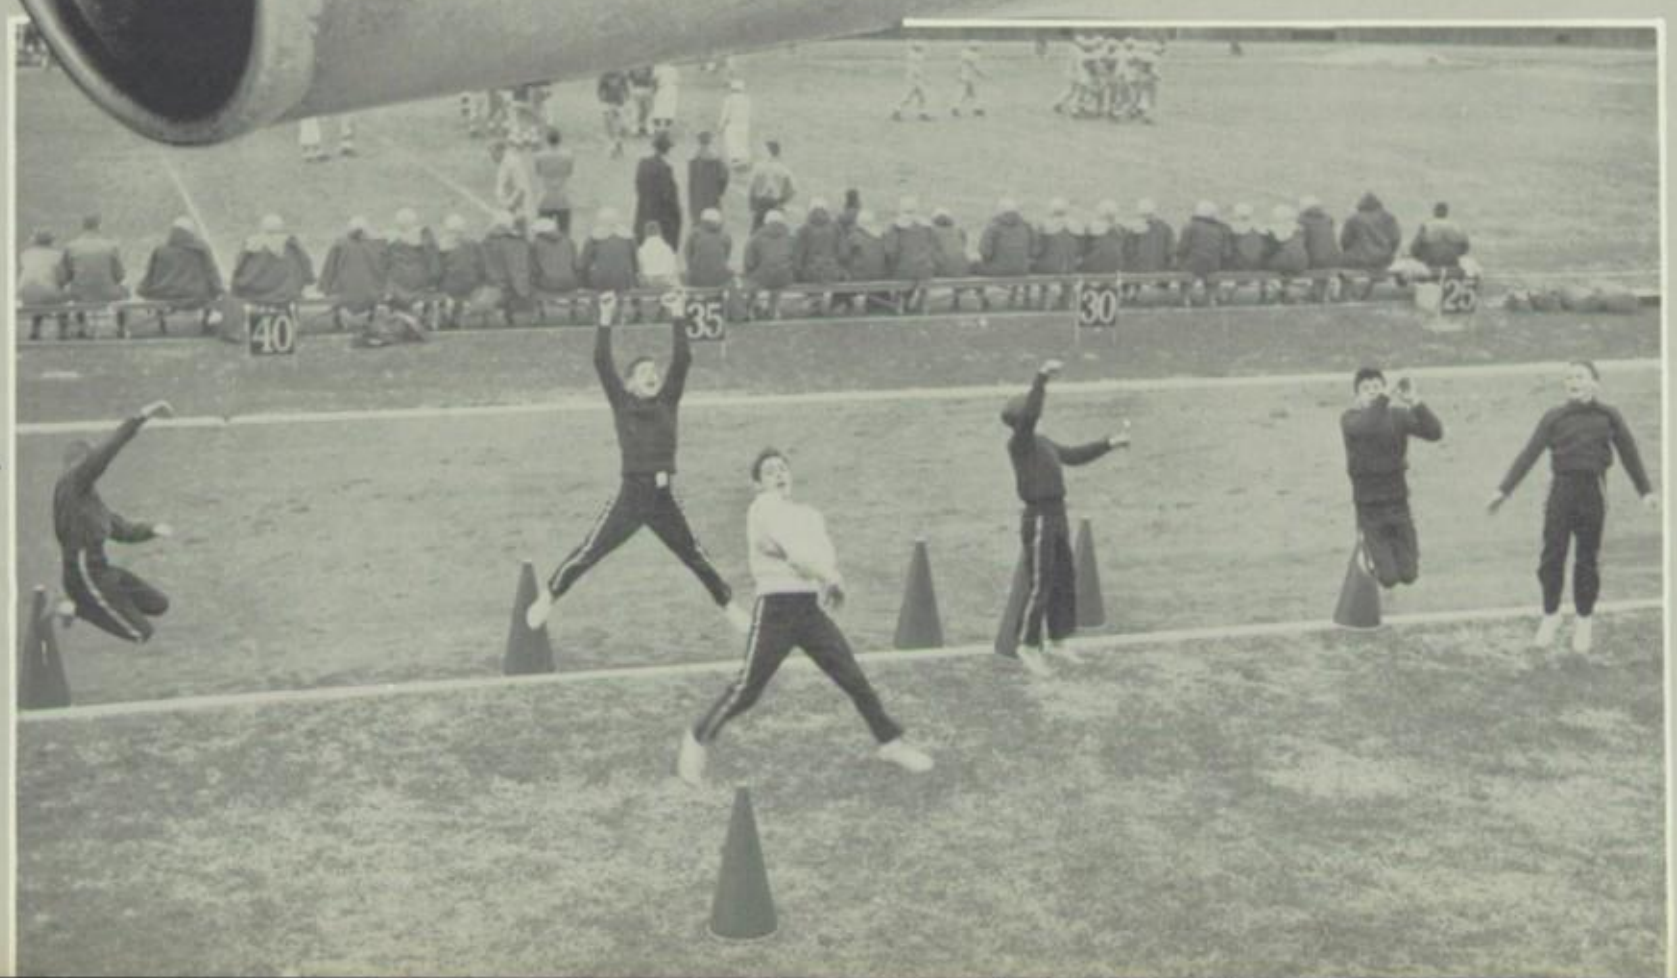
Cheerleaders

Once again the "Spirit of Old" has returned to Iona. The main factor contributing to this was the cheerleading squad. Under the direction of Mr. Donovon and captain Joe Nuvolini Iona's spirit aroused cheers that echoed in the ears of Iona's fine athletes.



go, Iona.

Dramatics

This year Mr. Donovon's thespians are once again practicing diligently for the play which is to be held in the spring.

This year's selection is Clifford Goldsmiths comedy "What a Life." This play is the original Henry Aldrich Broadway presentation which had a highly successful run of three years.

With Bob Goodfellow as Henry Aldrich, Wally Geoghan as Barbara Pearson, Chris Walsh as Miss Shea, John Sibson as Mr. Nelson, and Bob Jeurgens as George Bigelow. It seems as though the cast in the play has been adequately filled and through the guidance of Mr. Donovan Iona's Dramatic Society is tops.

Sodality . . . . . .

This year the Sodality has again taken up its fine work in helping and with exceptional zeal has brought Catholic Action to Iona.

Under the direction of Brother O'Ryan, moderator, the officers Bert Corbalis president, Dick Tedesco vice president, Henry Widmir treasurer, and Mike Joyce secretary the sodality has taken up and followed out an extensive program.

One of the main activities of the Sodality this year was the reciting of the Rosary and the Litany of the Blessed Virgin, patron of the Sodality, at her shrine on the campus.

The example shown by the sodalists faith during the year and especially in the month of May was an inspiration to all students at Iona.

Band

As in the past the Band has had a very successful season. Iona again can claim one of the best bands in the area. The main point that backs up this boast is that after playing marches and songs at the football games the band then took up the role as an orchestra for the spring concert. By this remarkable change the band has more than proved its value at Iona.

It is indeed a feather in the cap of the director, Mr. Sala.

BROTHER HEAPHY
Moderator

Through various interesting movies and experiments Brother Heaphy's science club has obtained a store of knowledge that their regular academic course could not have offered them. The members of the club have profited greatly from their new found knowledge.

Maybe someday one of these students will rise above the average scientists to pioneer in phases of science yet to be explored by man. Let us hope that their urge to explore new fields of science will have come about through their interest first shown in the science club.

Camera Club

Moderated by Brother McDonnell, the camera club of Iona has provided again an outlet for the students in the school that are interested in the hobby of photography. The school has stimulated their interest by letting them use the two dark-rooms situated on the campus. During the year they have been working hard taking pictures in hope that they will get a suitable one to enter in the picture contest in May. The owner of the winning picture may someday become a top flight photographer.

Glee Club

Alumni and old friends of Iona can testify to the fact that in the past Iona has had one of the outstanding high school choral groups in Westchester. This year's Glee Club is no exception to its predecessors. Under the direction of Brother Castle the sopranos, tenors, altos, and basses have been organized into a very talented singing group. On May 2, parents and friends of Iona applauded the dulcet tones which were the result of the harmonizing voices of the Glee Club. It was observed that the patrons of the spring concert were heard humming the selections that the boys had sung. It seems that the audience was impressed by the students outstanding performance and the superlative guidance of the Brothers in charge.

Student Council

After the consent and the desire of a two-third majority of the senior body the Student Council was established at Iona. However, an important change took place before the plan was passed; this was the abolition of the proposed senior councillors, established to maintain order in the school and the surrounding area. This was done because there was a great hesitancy on the part of the entire student body to accept them rather than the faculty.

Sale of tickets and the maintaining of order at football games were one of the services of the Student Council. Another duty of the council is the publishing of its weekly bulletin put out by the Public Relations Secretary. This paper was posted weekly in all the classrooms.

The officers of Iona's first student council were as follows; Bert Corbalis, president; Dennis Donovan, vice president; Earl Johnson, Recording Secretary; William Cleary, Student Relations Secretary; Leo O'Donovan, Public Relations Secretary, Joseph Dinolfo, Treasurer; Hugh Kelly, Assistant Treasurer.

Brother Ruane, Faculty Adviser to the student council.

The Prom

Once again, as it had been all during our our time at Iona, the Senior Prom was the high light of the Christmas season. More than one hundred couples danced to the music of Will Bradley and his orchestra on that memorable night. The decorations were the most beautiful and the most elaborate ever seen at Iona. All agreed that the Senior Prom of 1951 was the finest ever held at Iona.

The feature of the evening was the crowning of Miss Ellen Barrett as the beautiful queen of the Prom.

Credit for the prom's outstanding success goes to the energetic committee, headed by Leo O'Donovan, assisted by Secretary Bob Bundschuh, Treasurer Hugh Kelly, and a committee of twenty-five. Reverend Brother H. B. Heaphy was moderator.

Mid Year Exams

The first week in January found all Iona men trudging back to school, with memories of the Senior Prom and New Years Eve fresh in their minds. All of this soon forgotten, however, as the horrible realization that mid-terms were only three weeks away, dawned on all of us.

With the exams out of the way, we turned our thoughts to the lighter side of life, the dance, the basketball games, and the good times enjoyed by all Iona men. Our sensational basketball team continued on its winning ways and everyone looked forward to the possibility of a bid to one of the post season tournaments.

The month of February also marked a big occasion for our Sophomore class as their first dance, The Soph Hop, was a smashing success. This dance was the first of a great many to be sponsored by the Sophomores, and from all indications those of the future will be even better.

As the members of the class of '52 graduate from Iona Grammar School, a period of their lives, ever to be remembered and cherished, comes to a close. Many happy memories come crowding to their minds . . . their first samplings of learning in the lower grades . . . first Holy Communion . . . adventures in new classes . . . all these and more, but they take with them more than just a pleasant memory, they bear the results of the finest, the only complete education, a Christian education.

Intellectually, they have been prepared for life by men who have devoted their lives to the education of youth. The fruits of their labor may be observed in the high scholastic achievements of these boys.

But the physical education of these boys has not been neglected. Under an extensive athletic program, they have had the opportunity to develop strong, healthy bodies.

Most important of all, however, is the spiritual education which these boys have received. Through daily religious instruction, they have been prepared for the only Final Examination that counts.

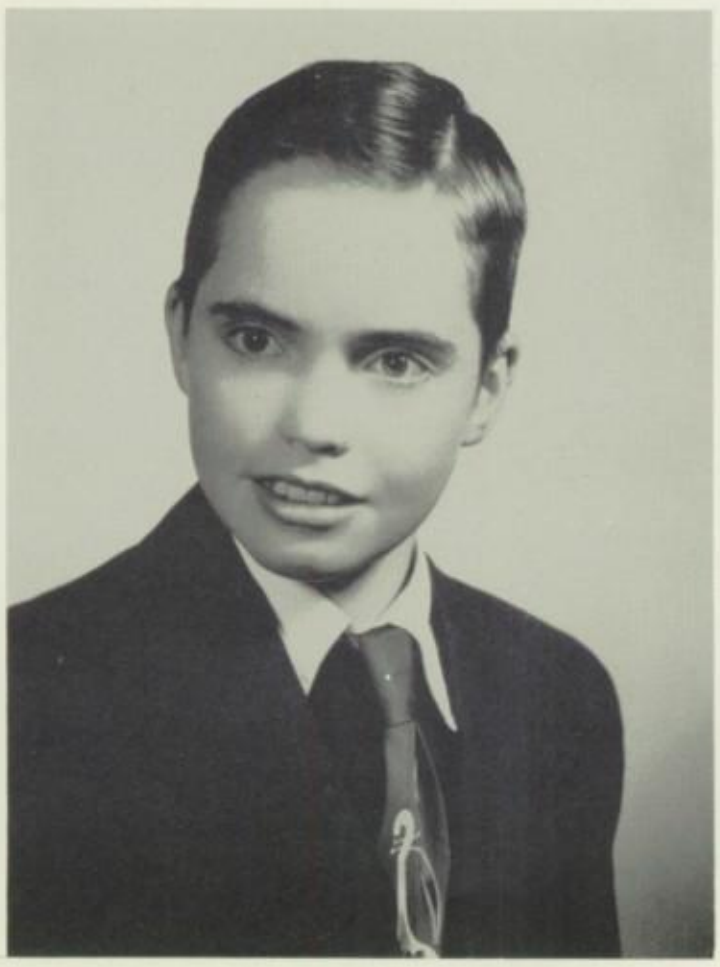
To Iona, all the way from Switzerland, came Jan Stoffel. His years at Iona have been well spent, as evidenced by his high scholastic standing. Jan has also devoted his time to the Band and the Glee Club. We wish Jan continued success in the future.

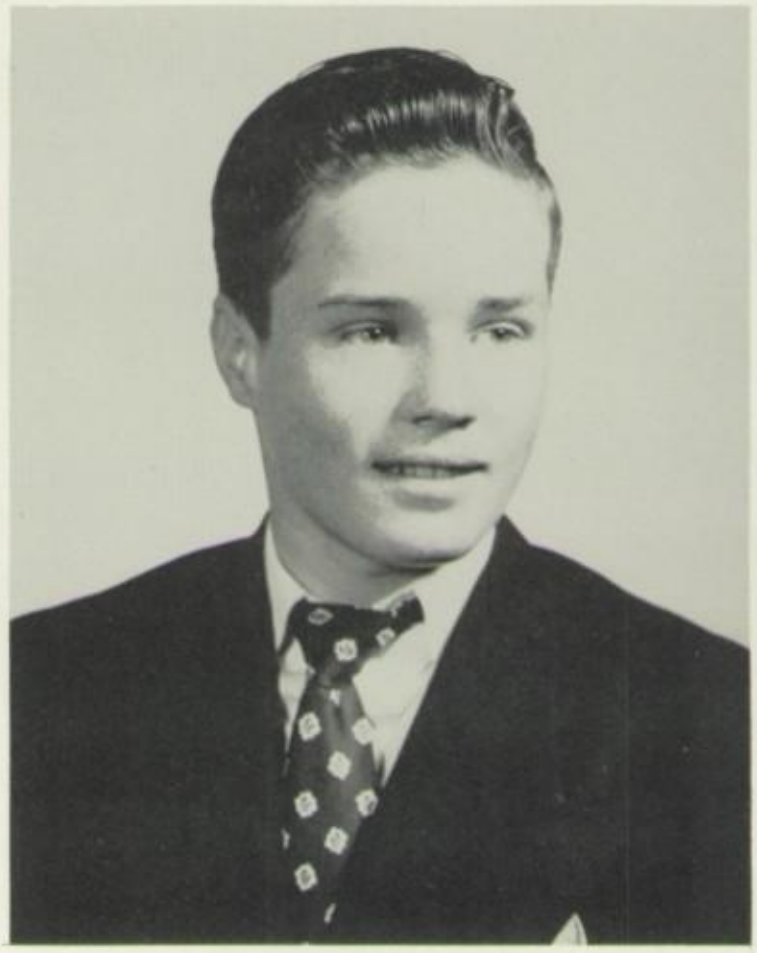


Eugene Sullivan

Gene, who is an excellent student, came to Iona in the Fifth Grade. In his years here he has proved himself competent both in the classroom and on the athletic field. His natural wit and humor have made many friends for Gene. We all look forward to seeing him at the Prep next Fall.

Louis Verde

Although Louis only came to Iona this year, he quickly became engaged in the many activities of the grammar school. He has been manager of the football team and catcher for the Midget baseball team. His marks, which are excellent, will insure success for him at the Prep.



John Wilson

This has been the first year that John has spent at Iona, but he has lost no time in becoming an active participant in school life. John has been a member of the Midget football squad and of the Hobby Club. Next September we all look forward to seeing John at the Prep.

Midway through their Primary education these young Ionians have already displayed talents which mark them as typical Iona men. Too young to participate in any of the organized sports of the school they gave strong support to their own activities. A large percentage of the class will be rewarded by honor certificates at the close of the school term. We can be sure that these youths will carry on the true Iona tradition.

May we, the members of the Class of 1952, take this final opportunity to thank most sincerely Reverend Brother Richard J. O'Kelly, and all the other brothers and lay faculty members who have made it possible for us to obtain the splendid Catholic education that we have just completed. We well realize that all of us have at least four more years of education ahead. But we leave Iona with hearts and minds firmly trained in the great tradition of Catholic education. What we have learned at Iona will guide us all the rest of our lives. We are, therefore, eternally grateful to the fine group of men who have prepared us for whatever may lie ahead.
